

Ein Tag ohne Strom

Stell dir vor, du hättest einen ganzen Tag lang keinen Strom.

Was wäre anders?

Was könntest du nicht mehr machen?

Morgens

Mittags

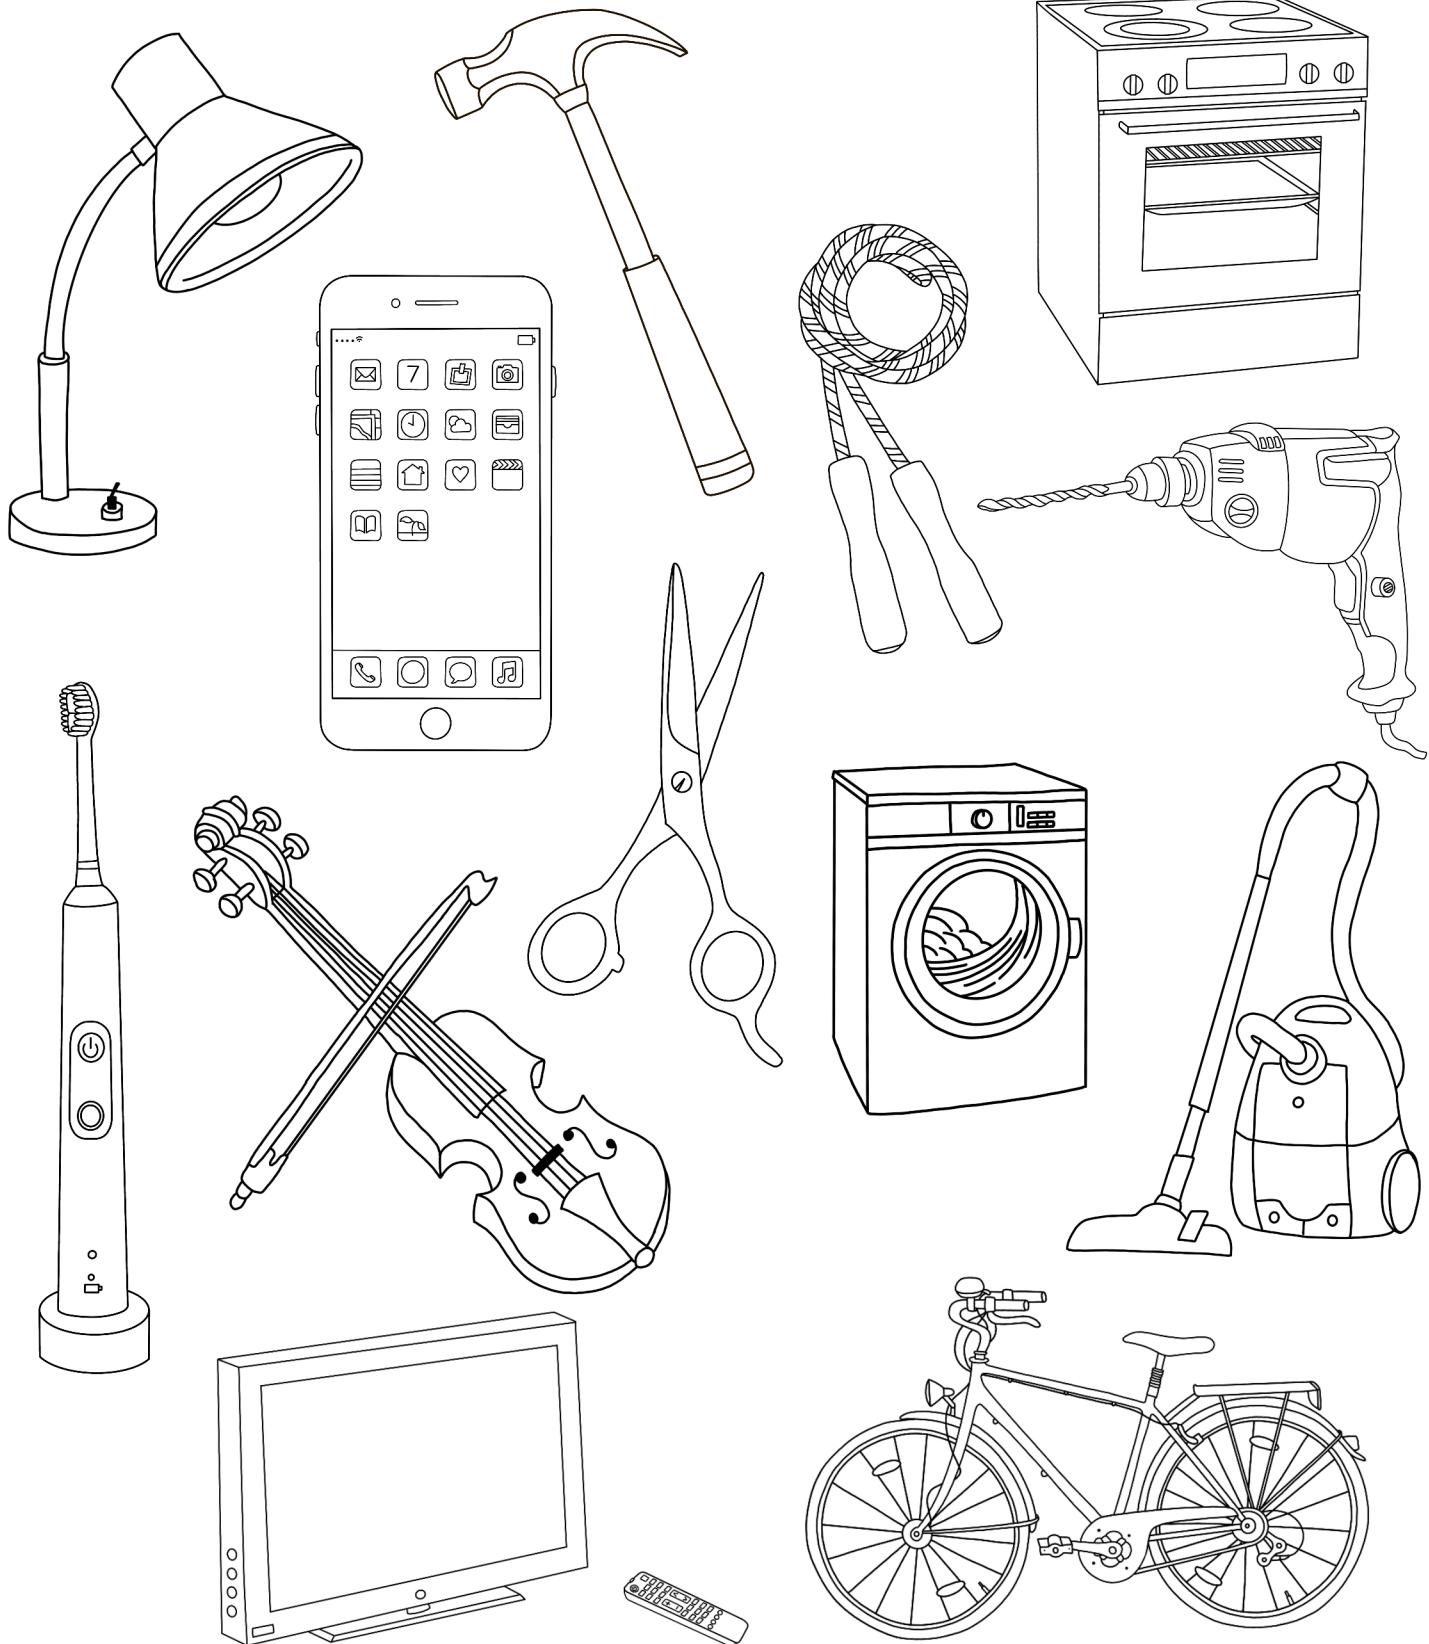

Nachmittags

Abends

Was braucht Strom?

Viele Dinge in deinem Alltag brauchen Strom.

Male die Gegenstände aus, die Strom brauchen, damit sie funktionieren.

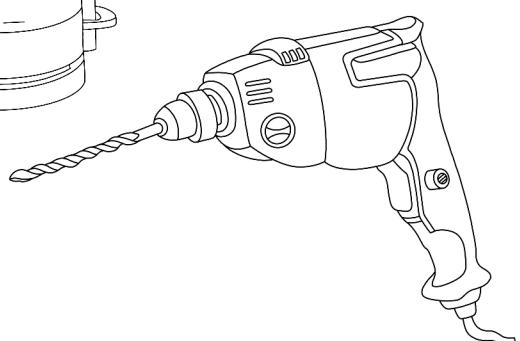

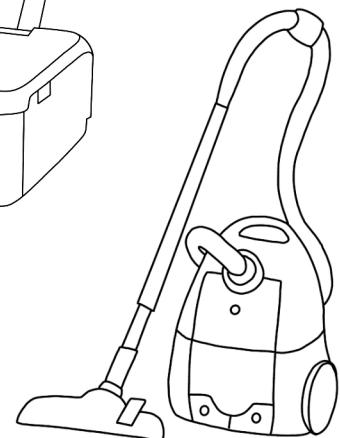

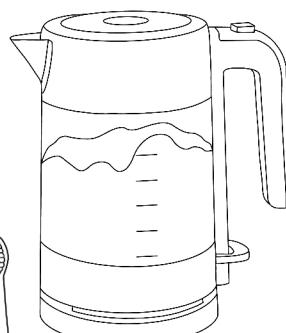

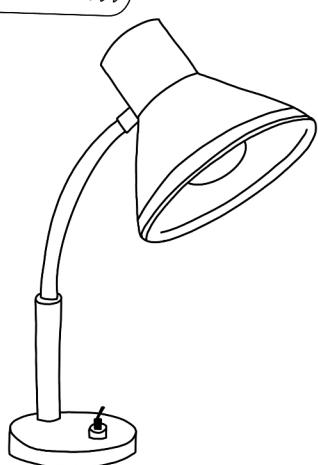

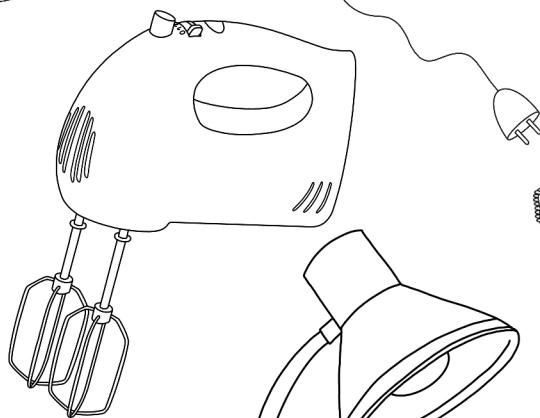

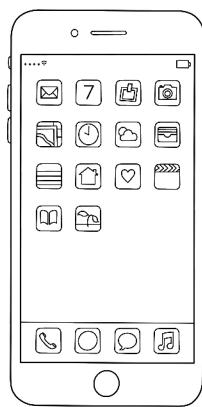

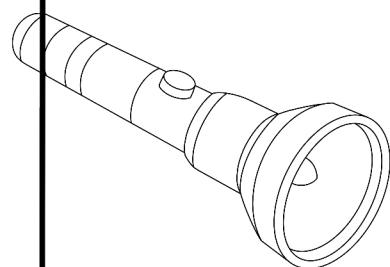

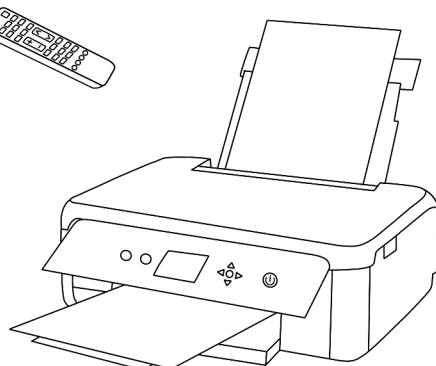

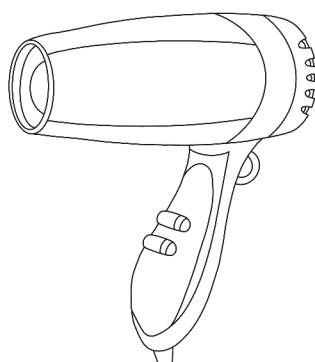

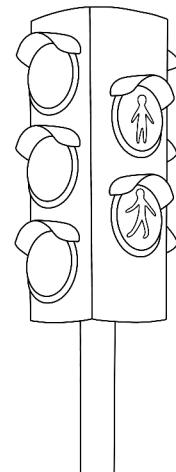

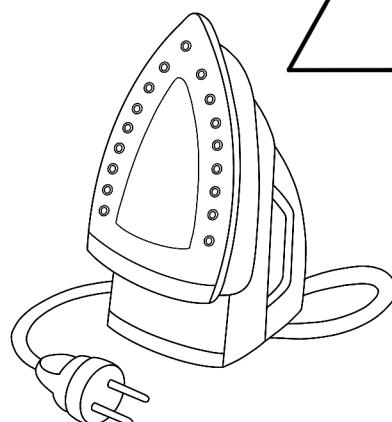

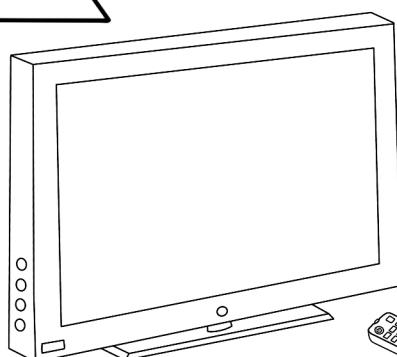

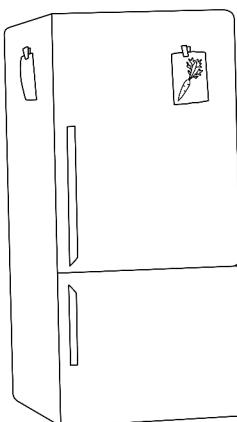

Welche Wirkung hat Strom?

Für viele Dinge brauchen wir Strom.

Strom kann aber immer etwas Anderes bewirken.
Verbinde die Gegenstände richtig.

Wärme

Kälte

Licht

Bewegung
